

REMARKS

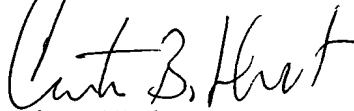

Claims 10-21 are pending. By this Amendment, claims 1-9 are cancelled and new claims 10-21 are added. The amendments conform the claims to U.S. practice and do not narrow the scope of the originally filed claims.

The specification has been amended to place headings so as to more closely conform with standard U.S. practice.

In view of the foregoing, it is submitted that this application is in condition for allowance. Favorable consideration and prompt allowance of the application are respectfully requested.

The Examiner is invited to telephone the undersigned if the Examiner believes it would be useful to advance prosecution.

Respectfully submitted,

Curtis B. Herbert
